

Benefit Features

If your employer is configured for and allows you access to view your Benefits, the following features may be available to you. Contact your HR administrator with any questions.

- 1 Tap the  icon to navigate to the left-hand menu
- 2 Tap **Benefits**.
- 3 On the Benefits landing page, view all current or upcoming (where applicable) benefits and deductions.
- 4 Tap on a benefit to view more details, including cost, coverage start dates, contributions, and the contact information of the provider to reach out to with any questions on your plan.
- 5 For some benefits, you may also view associated dependents.
